The annual Knights of Columbus “**DRUG AND ALCOHOL AWARENESS AND ABUSE**” POSTER CONTEST was held again this year to promote the awareness and dangers of the abuse of these substances in our society. With over one hundred students entering their posters in one the four categories (8 –10 and 11 – 13 years of age), it was a difficult decision for the judging committee to select the eventual winners. The posters were judged on three criteria: Slogan, Artistic Merit and Overall Impact to effectively capture your attention and cause you to reflect on the topic. The poster contest had a monetary award for the top three posters in each category.

On behalf of our Grand Knight, Alan Barham and the Knights of Columbus Fr. J. Fergus Duffy Council 1454, I would like to congratulate the student(s) pictured below on having their “DRUG or ALCOHOL AWARENESS AND ABUSE” Poster selected as one of the top three posters in their respective category. The winning poster in each category will now go on to the District, Regional and Provincial level of competitions. Good luck to all of the winners in the next level of competition.

Congratulations again and thank you for doing your best work in the “ALCOHOL AND DRUG AWARENESS AND ABUSE” Poster Contest.

Yours truly,

JAOzog
